EXTENSION OF TERMINATION DATE OF UK DEPOSITARY INTEREST FACILITY

On 26 November 2020, Perseus Mining Limited (ASX/TSX: PRU) advised holders of UK Depositary Interests (DI) issued in April 2016 to facilitate settlement of shares issued to some former Amara shareholders that the DI Facility would be terminated with effect from 31 December 2020.

It has come to our attention that as a result of the impact of COVID-19 restrictions that apply in the UK, some DI holders may not be able to put alternative arrangements in place by the time of the proposed termination date. To avoid unintended consequences of the termination of the DI Facility, Perseus has decided to extend the termination date of the DI Facility to 31 March 2021.

The notice to be sent to DI holders is attached to this release.

This announcement was approved for release by Managing Director and CEO, Jeff Quartermaine.
