Right to receive documents for Perseus Mining Limited's shareholders

Recent legislative changes to the Australian Corporations Act 2001 (Cth) mean there are new options available to Perseus Mining Limited shareholders as to how you receive communications from Perseus Mining Limited.

Perseus Mining Limited will no longer be sending physical meeting documents unless you request a copy to be posted.

Perseus Mining Limited encourages all shareholders to provide an email address so we can communicate with you electronically when shareholder notices become available online, for items such as meeting documents and annual reports.

Shareholders can still elect to receive some or all of their communications in physical or electronic form, or elect not to receive certain documents such as annual reports. To review your communications preferences, or sign up to receive your shareholder communications via email, please update your details at www.computershare.com.au/easyupdate/pru

If you are a shareholder and would like a physical copy of a communication, need further information about the options available to you or have questions about your holding, visit www.investorcentre.com/contact or contact the Registry:
