

Sotta Mining Corporation Limited

EXPRESSION OF INTEREST FOR GOODS TO THE NYANZAGA GOLD PROJECT

EOI/NGP/OPS/035 GEKKO SUPPLYING

Sotta Mining Corporation Limited (Sotta) is a Tanzanian incorporated joint venture company 80% ultimately owned by Perseus Mining Limited (Perseus) and 20% by the Government of Tanzania.

Sotta is developing the Nyanzaga Gold Project located within the southern area of the Lake Victoria Gold Fields, north-western Tanzania. Nyanzaga is in the Sengerema District within the Mwanza Region of Tanzania. The Project area lies approximately 60 km southwest of Mwanza.

Sotta is in the process of developing the Project which includes the design and building of a gold processing plant, open pit mine, and associated infrastructure.

Sotta is seeking Expressions of Interest (EOIs) for the supply of Gekko parts and consumables for the Nyanzaga Gold Project.

The supply of Gekko parts and consumables includes, but is not limited to, the following:

- The provision of only original and genuine Gekko brand parts and consumables that are suitable for our mill plant's preventive maintenance. One key objective of this contract is to ensure the availability of parts and consumables while also reducing operating costs. This means the supplier must keep the necessary parts and consumables in stock for Sotta.
- The official and authorised supplier/distributor of the Gekko brand and provide proof of this
- The availability of parts in the country will be a critical selection criterion.
- The supplier will be responsible for the entire supply chain, with parts delivered to Dar es Salaam.
- Continuous improvement of the commercial and technical relationship is expected.
- Demonstrated experience in the mining sector is required.

Sotta invites interested and qualified supply companies to submit their EOIs, accompanied by documentation supporting the following requirements:

- a) The Word document "***Prequalification – Gekko parts supplying - EOI***" duly completed and submitted in Word format.
- b) Detailed company information, including ownership, organisational structure, and details of any Tanzanian operating entity, including evidence of local content compliance with the Tanzania

Mining Commission or verification of eligibility to apply. Sotta preference will be to hire a Tanzanian company wholly (100 %) owned by Tanzanian citizens.

- c) Company overview: structure, organizational chart, main equipment, qualified human resources
- d) Evidence of successful delivery of similar scopes within the mining industry within the past 10 years. Details of past and current projects should include a brief scope of work and their value in Tanzanian Shilling.
- e) Details of current contracts, including value, assigned equipment, and labour resources.
- f) Information and experience of key personnel proposed for involvement in this scope of work.
- g) A copy of the company's Health, Safety, and Environmental (HSE) policy, along with HSE statistics for the last three years. This should include the company's lost time injury frequency rate (LTIFR) and medically treated injury frequency rate (MTIFR).
- h) Verification of the company's financial capacity to deliver this scope of work, provided through formal documentation (such as audited financial reports).
- i) The contractor's ability to engage local community workers to participate in site work.

Any interested parties are requested to submit electronically their EOIs quoting **EOI/NGP/OPS/036 GEKKO PARTS AND CONSUMABLES SUPPLYING** in the email subject header to the following e-mail address: EOI.TenderSubmissionsTZ@perseusmining.com.
