

EXPRESSION OF INTEREST FOR EOI/NGP/121 ANTI-CLIMB FENCE FOR THE NYANZAGA GOLD PROJECT

Sotta Mining Corporation Limited (Sotta) is a Tanzanian incorporated joint venture company 80% owned by Perseus Mining Limited (Perseus) and 20% by the Government of Tanzania.

Sotta is developing the Nyanzaga Gold Project (Nyanzaga or Project) located within the southern area of the Lake Victoria Gold Fields, north-western Tanzania. Nyanzaga is in the Sengerema District within the Mwanza Region of Tanzania. The Project area lies approximately 60 km southwest of Mwanza.

Sotta is in the process of developing the Project which includes the design and build of a gold processing plant, open pit mine, and associated infrastructure.

SMCL invites Expressions of Interest (EOIs) from suitably qualified and experienced Tanzanian contractors for the **Supply, Fabrication, Installation and Commissioning of Anti-Climb Security Fencing** at the Nyanzaga Gold Project process plant area.

As part of site security enhancement during construction and early operational readiness phases, SMCL intends to install high-security perimeter fencing around designated plant infrastructure areas.

The fencing will be designed to provide:

- Controlled access
- Anti-climb protection
- Razor wire top deterrence
- Motorised controlled entry points
- Compliance with site HSE and security standards

Reference imagery of the anticipated fence type (358 anti-climb panel system with razor wire topping and security gates) has been prepared for indicative purposes and will be shared during the RFP Tendering Stage.

Scope of Work Description	EOI Reference
<p>The successful contractor shall be responsible for the complete design verification (where required), supply, delivery, installation and commissioning of the following:</p> <p>A. Fence Panels</p> <ul style="list-style-type: none">• Approximately 250 metres of 358 anti-climb fence panels• Heavy-duty welded mesh panels (commonly referred to as 358 security fencing)• Hot-dip galvanised and/or powder-coated finish suitable for mining environment• Steel posts with reinforced footing design• Concrete foundations to engineered standards• Integrated razor wire (concertina type) along the full fence length	EOI/NGP/121

<p>B. Access Gates</p> <p>The works shall include supply and installation of:</p> <ul style="list-style-type: none"> • Five (5) pedestrian gates • One (1) double swing gate – 6 metre opening • One (1) motorised sliding gate – 4 metre opening including: <ul style="list-style-type: none"> ○ 230V motor ○ Control panel ○ Safety photocells ○ Flashing/alarm lamp ○ Manual override system ○ Weatherproof housing <p>C. Civil & Installation Works</p> <ul style="list-style-type: none"> • Survey and setting out • Excavation and concrete footings • Alignment and levelling • Integration with existing access roads and hardstands • Electrical connection for motorised gate (interface-ready) • Testing and commissioning • Handover documentation 	
--	--

Sotta invite companies interested and qualified in delivering this scope of work to submit Expression of Interest, which must address the following compliance criteria:

Expression of Interest Compliance Criteria:

- a) Detailed company information including ownership (provide shareholder % of ownership), organisational structure and details of any Tanzanian operating entity including evidence of local content compliance with the Tanzania Mining Commission or verification of eligibility to apply.
- b) Confirmation of the entity's ability and commitment to establish an entity which is local content compliant in accordance with the Tanzanian Mining Act, and particularly the Mining (Local Content) Regulations 2018 and any subsequent amendments.
- c) Details of current services being performed as well as evidence of successful delivery of similar scope of services within the last 10 years with the following details provided:
 - i. name of the project;
 - ii. name of the client;
 - iii. brief scope of services;
 - iv. value of the services (indicate the applicable currency).
 - v. commencement and completion dates; and
 - vi. contact details of a minimum of two (2) references for each project.
- d) A copy of the company's Health, Safety and Environmental (HSE) policy, sample HSE Management Plan and HSE statistics for the last 3 years. Including the company's lost time injury frequency rate (LTIFR) and medically treated injury frequency rate (MTIFR).

- e) A copy of the company's sample Quality Management Plan, including a copy of a valid ISO9001:2015 accreditation.
- f) Details and experience (submit a copy of Curriculum Vitae) of key personnel (Project Manager, Project Coordinators) proposed for involvement in the scope of services.
- g) Verification of Company's financial capacity to deliver this scope of work, provided through formal documentation (such as audited financial reports).
- h) The contractor's ability to engage local community workers to participate in site work.

Expression of Interest Submission Requirements:

1. Any interested parties are requested to submit electronically their Expression of Interest to the following e-mail addresses: EOI.TenderSubmissionsTZ@perseusmining.com
 2. Submissions must have the subject heading: **EOI/NGP/121 ANTI-CLIMB FENCE.**
 3. Submissions must include a response to all the items listed in the above Expression of Interest Criteria on no more than **one** A4 sheet with the supporting documents attached.
 4. Expression of Interest applications close on **Thursday 23rd April 2026**. Expression of Interest submitted after this date will not be considered.
 5. Evaluation of the Expression of Interest will be based on the information submitted to the Expression of Interest Compliance Criteria.
