

**EXPRESSION OF INTEREST FOR  
EOI/NGP/126 BUS SERVICES  
FOR THE NYANZAGA GOLD PROJECT**

Sotta Mining Corporation Limited (Sotta) is a Tanzanian incorporated joint venture company 80% owned by Perseus Mining Limited (Perseus) and 20% by the Government of Tanzania.

Sotta is developing the Nyanzaga Gold Project (Nyanzaga or Project) located within the southern area of the Lake Victoria Gold Fields, north-western Tanzania. Nyanzaga is in the Sengerema District within the Mwanza Region of Tanzania. The Project area lies approximately 60 km southwest of Mwanza.

Sotta is in the process of developing the Project which includes the design and build of a gold processing plant, open pit mine, and associated infrastructure.

Sotta is seeking Expression of Interest (EOI) for the following upcoming scope of work for the Nyanzaga Gold Project:

| Scope of Work Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | EOI Reference |
